

“But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad as sheep having no shepherd” – Matt. 9:36

Dear Praying Friends:

If I ever begin our prayer letters with a statement similar to “The McPeters have been taking it easy this month”, then I was probably in the wrong family! What a busy month for our crew, but we enjoyed it immensely.

One of the biggest unexpected blessings we received this month was an email from a Welsh businessman in Chicago. What better way to learn more about our future field of ministry than from a Welshman! He had found our website and offered very helpful advice regarding the different areas of need. Please pray that we will be able to continue building this relationship. We are very excited to have met him.

Our meetings with both Choice Hills Baptist and Friendship Baptist Church were great. We appreciate your prayers so very much. We were able to attend a few of the Choice Hill revival meetings as well, and Michelle was able to participate in their ladies meeting! What a blessing!

Dr. Gary Moore, our pastor from Pennsylvania, also visited with us this month during his travels. What an opportunity to glean from the wisdom of a former missionary. We had many questions for him regarding the deputation process, and thankfully for us he had a lot of good answers!

We finished our month with an exciting week of VBS at Faith Baptist, the church I formerly pastored. What a blessing as we had opportunity to share God’s word with approximately 30 children.

We cannot thank you enough for your prayers. We have had so many of you come up to us, shake our hand and ask us about specific requests from previous prayer letters. What a tremendous encouragement you have been! One can never have too many prayer warriors! Thank you.

- Jonathan

Please continue to pray...

- For our family, as we continue on deputation that we not lose sight of our goal, to glorify God in all that we do.
- For the Eastern PA Baptist Fellowship Camp Meeting, being held the week of July 6th, and the safety of my travel to and from.
- That God will raise up additional laborers who share our burden for the folks in Wales, and would be willing to serve along side with us.

When our family has the opportunity to see God answer specific prayers, we often peg it as a “Mueller Moment” after the prayer warrior, George Mueller. This month our family enjoyed watching God provide us with a big Mueller Moment!

MUELLER MOMENT God provided a display board that is suitable for travel. Up until this time, due to the high costs of display boards, we had been using inexpensive foam displays. Unfortunately, these had to be replaced almost every other meeting. We tried a couple of different avenues to secure a permanent board, but it didn't look like we were going to be able to get one before I had to fly to PA next week for the camp meeting.

Then God provided.

A friend handed me a check one Sunday morning and told us to use it for whatever we needed. When I got home and opened the check, I found that it not only covered the cost of the board, but the shipping as well!

Just about the time when we are tempted to worry, God lovingly reminds us that our lives are in His hands, not ours! ***Praise the Lord!***
