

“But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad as sheep having no shepherd” – Matt. 9:36

March 2010

Dear Praying Friends:

The Lord blessed us with several contacts and one deputation meeting this month. I had the opportunity to share our ministry with Dependent Baptist Church of Inman, SC. From the meeting God provided not one, but three daily prayer warriors! What a blessing! That brings our total daily prayer team to twenty-seven. That has been a huge blessing to our family.

This month I was also able to attend various revivals in our area which has helped broaden my base of contacts and, Lord willing, will open doors of opportunity in the near future. Please continue to pray as I daily make phone calls and contacts that these churches will not only share our burden for foreign missions but partner with us in reaching the country of Wales.

Michelle and I are excited to begin planning our survey trip for this summer. It is hard to believe that it has been 10 years since we last visited Wales. At that time God had placed an unmistakable burden for the Welsh in each of our hearts and opened our eyes to the spiritual need of the country. Now that God has opened the door to actively pursue this ministry, we are praying that God will guide every step of this survey trip to bring Him glory and bring us closer to our goal.

As you will see to the right, our family has challenged each other to pray specifically towards 3 main goals this year. We would ask that when lifting the McPeters family up in prayer, you too help us pray towards these goals. Thank you for your continued support, both prayerful and financial. Your ministry to our family plays such a huge part in our current deputation ministry and future ministry to the Welsh.

Thank you. -- Jonathan McPeters

Project 1.11

One thing from Colossians that God has been continually bringing to my mind this month is the importance of specific prayer. To that end, our family has set the following Prayer Goals. These are prayers that we are asking God to answer specifically on or before January 2011. We have dubbed this prayer mission - **Project 1.11.**

GOAL 100% PRAYER SUPPORT

SPECIFIC PRAYER

Please pray with us, that God will raise up 300+ daily prayer warriors who are not only lifting our family up in prayer so that we can more effectively serve, but also for the Welsh. Our desire is that God start preparing their hearts now to receive the gospel.

GOAL 55% FINANCIAL SUPPORT

SPECIFIC PRAYER

Please pray with us that God will provide 55%+ of our monthly financial support which will allow us to begin full-time deputation, giving us a more flexible schedule and broader focus during our deputation journey (not to mention getting us that much closer to Wales!).

GOAL ADDITIONAL TEAM MEMBERS

SPECIFIC PRAYER

Please pray with us that God will raise up two additional missionaries, or missionary families who are both called and committed to reaching the Welsh for Christ. We are excited to build a team of folks that share the passion and vision for this much needed ministry.

Please pray for us during this missions conference. This will be the first full missions conference in which our family has participated. We are very grateful and excited for this opportunity!
