

CHURCHPLANTING

PLANTING WELSH CHURCHES. GROWING WELSH LEADERS.

Deputation: Our First Full Year God is faithful. God is good.

It's hard to believe that we have already completed our first year of full-time deputation. Where has the time gone? It truly has been one fully-packed year. God has taught us much. I will be the first to admit that not all of the learning process has been fun, but looking back and seeing Him at work has been amazing.

When we started, our idea of deputation was finding the best way to raise the funds and prayer support needed in the shortest time possible -- so we could quickly get to Wales. I just knew that if we could have everything just right, then we could hurry God and the deputation process along.

One of the biggest lessons we learned this year? God is not concerned about our finances -- He's concerned about us. When He is ready to let the funds come in, they will come. He's in control of when we get to Wales -- not us. (That is a lot of pride to swallow and patience to learn.) In the meantime, we need to continually give our best to our current deputation ministry. We need to continually pray, "Thy will be done." We need to continually minister here with the opportunities that God gives us now. Most of all, we need to be continually learning and striving -- not to get closer to Wales, but to get closer to Him.

PRAISE and PRAYER

- ◆ We now have 224 daily prayer partners. Praise the Lord!
- ◆ We had a family partner with us financially. An unexpected blessing!
- ◆ A photographer from our home church updated our family photos for us. (New prayer cards on the way!)
- ◆ Please pray that, as I continue to contact churches/pastors, God would lead me to those eager and willing to allow us to share our ministry.
- ◆ Please pray for our daughter Adelyn. She is currently having some health issues related to her kidneys.

Thank you!

Best 2011 Deputation Memory... *Sharing our ministry in the dark!*

During a mission conference we experienced some severe weather. As a result the lights went out in the church shortly before time to share our ministry. Without missing a beat the pastor continued the service as several well-prepared church members provided lighting via their cell phones! *True Story!*
