

“But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad as sheep having no shepherd” – Matt. 9:36

Dear Praying Friends:

What a month of answered prayers and praises! Many thanks to all of you for diligently praying about our Pennsylvania trip in December. The Lord blessed both the wedding and our meetings. Of course, we also requested prayer for safe travel - which proved important on this particular trip! Half way to Pennsylvania we stopped in Virginia for the night and woke up to 2 inches of snow the next morning! Needless to say, we drove in that snow storm through the remainder of our trip -- all the while thanking God for our prayer warriors at home who were praying us through!

Our children especially enjoyed the snow as this was their first sledding experience. They enjoyed a nice cold day of sledding with their cousins. As excited as they were to give it a try, when they stood at the top of the rather large hill they both hesitated just a bit. Michelle was afraid that they might sacrifice the fun for the fear, but they did finally take the plunge. I was reminded of how we as Christians sometimes take that same first hesitant step. God may have given us a passion and love for a ministry, whether for family, coworkers, or friends; when faced with the opportunity, sometimes it can seem a tad overwhelming like the hill. The joy is knowing that once we take that first obedient step, God guides us the rest of the way just like the girls' sleds, only at a slower pace!

We enjoyed getting to meet the many folks from the churches

we visited over the past two months. It is always encouraging to recognize that familiar passion and zeal for souls in the eyes of folks we meet! What a blessing! We have no doubt that we have gained many friends and prayer warriors along the way!

An added encouragement was the two churches that have partnered with us financially in this ministry. With the addition of these two churches, we are now at 10% support. As my oldest is quick to point out, we have now reached double digits!

MUELLER MOMENT

Our family enjoyed yet another “George Mueller Moment” since our last letter. After our trip we took our van to a repair shop and found that the steering column was badly damaged. We were advised to stop driving it immediately. Unbeknownst to us, a check that would cover the complete repair was already in the mail heading in our direction! God’s provision will never cease to amaze me!

And yet another blessing this month -- God has provided a sending church for our family - Trinity Baptist in Williamston, SC. Michelle and I have been visiting this church for several months between deputation meetings. After much prayer, we both realized that this is where the Lord was leading. We are excited to be serving as part of the Trinity family under the ministry of Pastor Robbie Robertson.

Thank you again for your faithful prayers. They are appreciated more than you know. Please feel free to contact me if you have any prayer requests that our family can pray with you.

Prayerfully on our hearts

We ask that you please continue to pray for -

- Lost souls - As God allows us to minister to these folks during our deputation process.
- Upcoming Meetings - That God will lead churches to partner with us for this much needed area of ministry.
- Contacts - That God will prepare the hearts of pastors to be open to allowing us to share this ministry.
- Additional Laborers - That God will raise up a team burdened for lost souls in Wales.
