

“But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad as sheep having no shepherd” – Matt. 9:36

Dear Praying Friends:

As I write this prayer letter, we are just coming to the end of our Thanksgiving rush. It's been a busy week. I thought I'd take a few minutes and reflect on our blessings from this past year. We have so very much to be thankful for.

I would not dare start such a prayer letter without first expressing thanks to my Lord for the life He has given, both eternal and physical. If ever I pause for a moment and try to comprehend the Creator working out the minute details in my little life, it is overwhelming. Why does God trouble Himself in our lives? Amazing isn't it?

This has been an exciting year for our family. We've been on deputation for 7 months now and have watched God provide both the big and small needs during this time. Deputation is new to us, so we just put one prayerful foot in front of the other and never cease to be amazed at God's timing or provision.

I had the joy of baptizing my two oldest daughters this year. What an answer to prayer! We've also had weddings on both sides of the family. In addition, just this past Friday Michelle and I celebrated our 10th anniversary. Yes, it has been a year packed full of blessings and answered prayers. Thank you Lord.

I would ask that you continue to pray for our weekly home Bible Study. We have enjoyed having new folks attend this month during our study of Philemon. We hope they will continue to be regular attendees. We are specifically praying for the unsaved to attend as we prepare to dive into the book of St. John. Please pray that God will use this time of study to direct our hearts on how to better serve Him, while also clearly pointing the unsaved to Christ.

Thank you so very much for your continued prayers for our family. We pray that each of you have a wonderful Christmas season. Please know that we are also praying for you as you continue in your own God-given mission field. God bless!

MUELLER MOMENT

This month our family enjoyed yet another “George Mueller Moment” as we watched God provide a roof-top travel carrier for our van for only \$30! That's amazing!

It is exactly what we've been praying for and came just in time for our trip to Pennsylvania! Praise the Lord! Once again we were reminded of God's provision when we resort to prayer and not worry. We serve such a great God!

We pray that you and your family enjoy a wonderful Christmas! Our family is going to try a new Welsh Christmas tradition this year -- making taffy!

Thankful for a busy month!

December is proving to be a very busy month for the McPeters' deputation travels! We will be traveling to Pennsylvania for Laura's wedding (Michelle's sister). The Lord has blessed us with five meetings while we are up north!

I would ask that you please pray for our travel safety, and for both the wedding and the meetings, that God will be glorified and souls won for Christ. (Now wouldn't that be a great Christmas gift for a lost soul!)
